Dear Sir/Madam,

We have received your paper entitled “Immobilization of Humic Acid on Bentonite and Its Application for Adsorption of Cs137 and Am241” for publication in the journal Nature Environment and Pollution Technology. Its paper ID is D-1302, which may please be quoted in all future correspondence. Without paper ID, queries may not be answered. The rejection of the paper, if any, is intimated usually after the preliminary scrutiny in about 10 days. After that, the paper is not likely to be rejected (except for very serious problems with the scientific content pointed out by the reviewer) but may attract corrections/modifications, if required. The initial acceptance letter will be sent after the completion of the final review process, which may take about 2-3 months.

The final publication of the paper may take about nine months to one year. Please maintain the trail of the e-mail so as to keep track of the full correspondence.

Sincerely,
P. K. Goel

Dear Sir/Madam,

We are sending herewith the **Invoice-cum-Initial Acceptance Letter** of your paper **D-1302**. Please transfer the publication charges to our bank, the details of which are specified in the letter. Please give the **Paper No. (ID) positively** in the bank document and intimate us immediately with the bank receipt after depositing/transferring the amount in our bank A/c so that we can check and process your paper further. Without paper ID, it becomes difficult sometimes to identify that from where the payment has come. In the case of non-intimation, your deposit may go unnoticed. The **Final Acceptance Letter** indicating the Vol. No., Issue No. and the year in which your paper is likely to be published will be sent after receiving the publication charges.
